CONDITION OF NOMINATION FOR MAINPOWER NORTH CANTERBURY SPORTS AWARDS

1. It shall be the duty of a Special Selection Panel to select the overall winner of Outstanding Sports Event from nominations received from clubs, associations and the public. The panel may, at its discretion, seek further nominations of events which, in the opinion of the Special Selection Panel, are deserving of consideration for the award.
2. The nominated event must have promoted participation in the particular sport in the wider North Canterbury area, and held in that area. This area is from the Conway River, south to the Waimakariri River and west to the Southern Alps beyond Oxford.
3. Event can include a one-off tournament held over one or several days in a row, or a longer-term competition or league that might encompass several weeks or a season. This award will be made in recognition of your sports efforts and those of the organising group in facilitating such a tournament or competition.
4. The Special Selection Panel has the discretion to make judgement on the conditions of nomination. The decision of the Special Selection Panel shall be final.
5. If nominee is selected as a finalist in an Outstanding Sports Event category the North Canterbury Sport & Recreation Trust will request a good quality electronic photograph representative of the event or will request an opportunity to take a photograph of similar.

Finalists will be announced late September or early October, with winners revealed at the MainPower North Canterbury Sports Awards Gala Dinner to be held at MainPower Stadium on Saturday 2nd November 2024.
